regional

regions

culture

cultural

cultures

area

areas

create

created

creates

creating

creation

creative

creator

constitute

constitution

constitutional

constitutions

unconstitutional

major

majority

congress

congressional

identify

identified

identifying

identity

source

sources

locate

located

location

locations

revolution

revolutionaries

revolutionary

revolutions

analyze

analysis

analyzing

geography

geographic

civil

goods

issue

issued

issues

affect

affected

affects

troop

troops

summary

summaries

summarize

summarizing

democracy

democratic

immigrate

immigrant

immigrants

research

researching

climate

climates

expand

expanded

expanding

expands

expansion

conclude

concluded

conclusion

conclusions

conflict

conflicts

job

jobs

define

defined

defining

definition

definitions

role

roles

construct

constructed

construction
reconstruction

primary

primarily

technology

technological

tradition

traditional

traditions

interpret

interpretation

interpretations

interpreting

policy

policies

legislate

legislature

legislation

legislative

legislators

continent

continental

community

communities

graph

graphic

period

periods

environment

environmental

environments

reform

reforms

assess

strategy

strategies

design

designed

designs

port

ports

focus

focused

ethnic

frontier

factor

factors

debate

debated

debates

globe

global

globalization

method

methods

impact

migrate

migrated

migration

migrations

quote

quotation

quoted

legal

illegal

organizer

diagram

visual

visualize

image

images

gulf

evaluate

evaluating

occur

occurred

occurs

buffalo

era

remove

removal

removed

journal

parliament

symbol

symbols

seek

seeking

sought

citizenship

peninsula
